Everybody knows you been steppin' on my toes
And I'm gettin' pretty tired of it
You keep steppin' out of line and a messin' with my
mind
If you had any sense you'd quit
Ever since I was a little bitty teeny girl
You said I was the only girl in this whole world
You better do some thinkin' then you'll find
You got the only mama that'll walk the line

I keep a workin' every day all you wanna do is play
And I'm tired of stayin' out all night
I'm a comin' unglued from your funny little moods
Now honey baby that ain't right
Ever since I was a little bitty teeny girl...
[guitar]
When I start to pack my clothes baby then you gonna
know
That I'm not a puttin' you on
When you start a walkin' gonna hear you start a
squawkin'
And a beggin' me to come back home
Cause ever since I was a little bitty teeny girl...
You got the only mama that'll walk the line
You got the only mama that'll walk the line
