Two little rivers of tears streaming down my face  
I got nothin' but two little rivers of tears

I had a good man none better in the men his love was  
true perfection  
I never dreamed his love could ever go wrong  
Odds of another girl ever takin' my world  
From me were one in a million  
But the one in a million she came along

And now there's two little rivers of tears streaming  
down my face  
Two little rivers of heartbreak souvenirs  
All night stay awake hurtin' from a heartache  
Just about to call that I can take  
I got nothin' but two little rivers of tears  
[ ac.guitar ]  
I never thought about never even had a doubt  
That he could be persuaded  
Or given to some girl a neddin' him on  
He'd never let me down never ever run around  
I kept on tellin' myself  
Until one mornin' I awoke and found he was gone  
And now there's two little rivers...  
I got nothin' but two little rivers of tears
