Wait till the sun comes up you might decide to stay

How can you cast my love aside as if it were a stone  
Up living here with me and calling this your home  
You don't have to leave tonight tomorrow's soon  
enough  
All I ask is that you'll wait until the sun comes up

Wait till the sun comes up before you go away  
Wait till the sun comes up you might decide to stay  
[ ac.guitar ]  
I don't believe the fire is out as long as there's a spark  
Things look different in the light than they do in the  
dark  
I wouldn't try to keep you here if you didn't mean so  
much  
All I ask is that you'll wait until the sun comes up  
Wait till the sun comes up...  
You might decide to stay
