I saw you in the crowd  
Near the shopping mall  
Down on  
"Learpord" Boulevard

And you  
You are not alone  
You were so cute  
And nice  
I have problems  
To discribe

So I stop  
To think about  
Where we going on  
From here  
So I'm gonna  
Talk to you  
You smiled year

[Chorus:]  
I got two tickets  
To New York City  
Come with me  
You look so pretty  
I take you down  
To Abercrombie  
Later we gonna  
Have a Zombie  
I got two tickets  
To New York City  
Come with me  
You look so pretty  
Check out the clocks  
In Central Station  
Meet Rockefeller  
Proof the nation

I know  
It sounds obscured  
Perhaps  
To little bit pervers

But I'm sure  
You understand me now  
So you  
You thought  
To fancy on me  
Making up your mind  
About the street  
Suggestion

So I stop  
To think about  
Where we going on  
From here  
So I'm gonna  
Talk to you  
You smiled year

(Chorus 2x)
