Shake me if I scream  
Hold me if I cry  
Read to me if I crash again tonight  
My heart's waiting for thunder  
So catch all the rain on your face  
All the trains went by  
The station master's eye

Wept for me  
Prayed for me  
Horses on a hill  
Ate his cake  
And god was late  
Took another pill

Chorus:  
St. Joan  
Burning in my bed  
What can I do there's voices in my head  
Butterflies and lullabies  
Here inside my kerosene dream

Lighting up the sky at night  
Burning in the candlelight  
Waking up the sun

Are you only waiting for yourself  
Are you lonely like crystal on the shelf

Blue is the color of darkness  
In my room  
I found out a little too late  
It's just another stage  
You think you've come of age

Drop me off  
Flip me out  
Stand me by the wall  
Sing to me  
Bring to me  
I am ten feet tall

(chorus)

Lighting up the sky at night  
Burning in the candlelight  
Waking up the sun

Stay with me  
Hold me if you can  
Play with me  
Write to me  
Remember what you said

(chorus)

St. Joan  
Stay with me...
