So you came to this meeting
Broken and confused
Listen to this song
In it there is good news

Cast your cares on Jesus
Haven't you heard all that He can do
Deliverance is available to you
Thank You, Lord Jesus

Please don't leave this meeting
Wounded and distressed
Seize this Godly moment
You're positioned to be blessed

Put all of your care on Jesus
Haven't you heard all that He can do
Deliverance is available to you
Yes, it is, oh, yes, it is

Deliverance is available to you
Trust the only one who is able to see you through
He's been waiting and wanting to work a miracle for
you
Deliverance is available to you

Deliverance is available to you
Trust the only one who is able to see you through
He's been waiting and wanting to work a miracle for
you
Deliverance is available to you

God's got enough power in the hem of his garment to
satisfy your need
Stretch out on His word, believe and you'll receive
Freedom on your hurt, victory on your pain
Deliverance is available, my God is most capable
Deliverance is available to you, yes, it is

God's got enough power in the hem of his garment to
satisfy your need
Stretch out on His word, believe and you'll receive

Freedom on your hurt, victory on your pain
Deliverance is available, my God is most capable

Oh, yes, deliverance is available, my God is most
capable
Deliverance is available, yes, yes

Yes, yes, yes, yes
Yes, yes, yes, yes
