I would like to be the wind;  
Growing and flowing over again.  
I would like to be the rain;  
Falling over the plains.  
(CHORUS)  
I just don't understand, what you want from me,  
I just want to be free.....gotta be me.  
I would like to be the sun;  
Shining and glowing on everyone.  
I would like to be the moon;  
Singing and smiling on everyone.  
(CHORUS)  
I would like to be the sky;  
See the world from way up high.  
I would like to be the air;  
A part of me for all to share.

(CHORUS)  
I would like to be a tree;  
Standing alone for all to see.  
I would like to be a road;  
Stretching out as far as I could.  
(CHORUS)  
I would like to be a cabin  
In the woods of Tennessee.  
I would like to be a wagon;  
Play with all the children I meet.  
(CHORUS)  
I would like to be the sand,  
Spread out along the land.  
I would like to be the sea;  
Wielding strength magnificently.  
(CHORUS)
