Angel, my little Angel,
I love you more than you know.
Angel, my little Angel,
I'll be so sad to see you go.
If you are taken from our hands,
It's 'cause the Lord made other plans.
I can understand why,
He wants you by His side,
'Cause you're an angel...
Angel, sweet little Angel,
In my heart, you'll always be.
Angel, sweet little Angel,

You'll always live in memory.
If you are taken from our hands,
It's 'cause the Lord made other plans,
I can understand why,
He wants you by His side,
'Cause you're an angel,
You're an angel.
You'll always be with me.
You're an angel,
You're an angel,
You'll always live in memory,
You'll always live in memory.....Angel.
