Play along,
Sing your song the way you want it to be...
..with me.
Sing along,
Play your song the way you want it to be...
..with me.
(CHORUS)
You never know until you see...you never know.
Feel free,
Feel the moss on an ancient oaken tree....
..with me.
Feel free,
Feel free to allow your mind to speak...
..with me.
(CHORUS)
Come along,
Follow your heart to a secret special place...

..with me.
Be alone,
Seeking your shadow in a snowy meadow in
peace.....with me.
(CHORUS)
Blow away,
Breathing the life of years on a summer breeze.....with
me.
Blow away,
Sweeping across the endless rolling seas...
..with me.
You never know until you see,
You never know until you see.
It doesn't have to be....
When you're with me.
