I don't want to hear it  
All you do is talk about you  
I don't want to hear it  
'Cause I know that none of it's true  
I don't want to hear it I'm sick and tired of all your lies  
When are you gonna realize...

That I don't want to hear it  
Know you're full of shit

Shut your fucking mouth  
I don't care what you say  
You keep talking  
Talking everyday  
First you're telling stories  
Then you're telling lies When the fuck  
Are you gonna realize

That I don't want to hear it  
Know you're full of shit
