(I) Don't smoke,
(I) Don't drink,
(I) Don't fuck,
At least I can fucking think.

I can't keep up,
I can't keep up,
I can't keep up,
Out of step with the world.

repeat

Spoken
Listen,
This is no set of rules,
Im not telling you what to do,
All im saying is im bringing up three things,
That are like so important to the whole world,
That I dont identify as much importance in,
Because of these things,
Whether they are fucking or playing golf,
Because of that I feel.
End Spoken

I can't keep up,
I can't keep up,
I can't keep up,
Out of step with the world.
