Everybody's right. Evrything I've done is wrong. You
know I tried to keep it
short. I know it took too fucking long. Too much has
been said. You think
it fucked my head?

(Chorus)

Think again.

Ignorance, it set your standards. Intelligence, that
don't work in your
brain. You're an adult, so you act like a child. Don't
even try to explain.

This stupid shit, it's been done. You think you're the
only one?

(Chorus)

A hand to your mouth, a performing yawn. I guess you
know what the fuck is
going on. You're on the top, you're on the ball. You
think you've seen it
all?

(Chorus)

Before you take another crack and slap yourself on the
back. Before you tell
me what you heard and sum it up in one word. Before
you start talking shit.

Before you throw another fit.

(Chorus)
