

Winter Rage "Child Of The North"

Born was I,
Under the northern star,
Blessed by sky,
Baptized by phoenix cry,
Purity of snow was my pride

Raised by wolves
Within their howl,
Learned to fight
Against own kind,
To protect innocence from eternal darkness

For 1000 years
I've lived in peace,
Protected by nature
And all of her beings,
Seemed like nothing could crush
My castle of dreams

CHILD OF THE NORTH IS MY NAME,
MY HEART IS MADE OF BLIZZARD RAGE,
MY MIND IS PURE LIKE ICE ITSELF,
WHERE MY PATH GOES DEATH SHALL PREVAIL
