I think I got it straight now,
What youre tryin to say now,
I think I got it straight now,
That part when you said you were goin away now
I didnt understand it,
It didnt seem like you really planned it, No But I,
I think I got it straight now,
So have a nice, have a nice
Have a nice day, now
Have a nice,
Have a nice day, now

You know cannot hurt me,
Cos I believe in hurt (pain)-free lovin
You know you cant desert me,
Cos I was never, like, somethin you were havin
You know you cant upset me,
You know you can always come back and get me
Oh yeah.

I think I got it straight now,
What youre tryin to say now,
I think I got it straight now,
That part in the middle when you said you were goin
away now
I didnt understand it,
It didnt seem like you really planned it,
But I think I got it straight now,
So have a nice,
Have a nice day, now Go on
Have a nice,
Have a nice day, now,
Have a nice
Have a nice day, now....

Though I may fall apart,
With a broken heart,
Though Ill be missin you
From when you walk out my door
I cant believe youve gone away
I always thought that youd wanna stay with a-me now
What to say now

Turn around and have a nice -
Have a nice day, now, go on
Have a nice,

Have a Nice Day, Now

Have a nice day, now, go on
Have a nice,
Have a nice day, now, go on
Have a nice,
Have a nice day, now, go on

I think I got it straight now,
The thing youre tryin to say now,
I think I got it straight now,
When you said you were goin away now
I didnt understand it,
It didnt seem like you really planned it, No
But I, I think I got it straight now,
So have a nice, have a nice
Have a nice day, now
Have a nice,
Have a nice day, now
