

Winter Solstice "Never Again"

Visit "[Never Again](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Father accept these hands
I pray with tear filled eyes
And beg Lord take my life

You and I will start again
I searched for you, once I found you

Now I will not let temptation
Take my soul, my heart, my Savior
This means everything to me
Why must one ignore all His words

Pray he bled his life for me
And now I wont let you slip away
Again I let them turn your words
Against your own forgive
Forgive this life

Forgive this life for my eyes seek you
Broken stained glass reflects my sorrow

Now I pray with tear filled eyes
For the lack of truth within their souls

Never from these hands,
You and I will start again
