The last dance on the last night of the year
Last chance before my world disappeared
Will I learn to walk again? Back when/I fell on my two
feet
Now I'm shattered/but I'm not incomplete
I slowly see/the reality

Don't leave / don't leave me / I know you won't
I'm broken in pieces / on the ground
I'll scream for help / for one more chance
Is this the last dance?

I sit and I watch the world spin round
Stick around/should it ever come crashing down
I'll be back/the cycle never ends
It sends/me through / the darkest distance/that
I once knew/a light of existence
Tell me where / has it gone/and withdrawn to

(Nobody asked you/Where you were going/Nobody
asked you to stay)

Don't leave / don't leave me / I know you won't
I'm broken in pieces / on the ground
I'll scream for help / for one more chance
Is this the last dance?

Don't leave / don't leave me / I know you won't
I'm broken in pieces / on the ground
I'll scream for help / for one more chance

Yeah

I'm running on empty/Lying right where you left me
Waiting for someone to lift me off the floor

Don't leave/don't leave me/I know you won't
I'm broken in pieces / on the ground
I'll scream for help/for one more chance
Is this the last dance?

Don't leave / don't leave me / I know you won't
I'm broken in pieces / on the ground
I'll scream for help / for one more chance

Yeah

Is this the last dance?
