Spoken:

Did you'd ever think we'd still be together?

Verse:

So smooth and dreamy

I always knew that

I'd always like your style

So rich and creamy

My heart's still beamin

Girl when you smile (Smile)

I cherish every moment spent

Girl you must have been heaven sent

Down from the sky

I never wanted to hit and run

Just had a strong vision of us

Together for a while

Chorus:

Stars above say we belong

And I'll never go away

Together 10 million strong

10 million

Verse:

Hearts filled with sunshine

Sweet suga' thang

You're just a gold mind

Treasure so precious

You're always so gracious

You make me sparkle with pride

I always knew that

Me and you would make it

Me and you would take it so far

I'm so glad to be with you

Come on let's keep goin

Come on let's keep growin

Let's reach for more stars

Chorus
