Lawrence El)

Verse:

Can this be real  
Girl you blow my mind  
I think you know

Cause I can't conceal  
All the joy inside  
I'm sure it shows

So believe me girl  
It's the truth

Cause the things that you do  
Keep me runnin' to you

Chorus:

For kisses and huggin'  
I'll always come runnin'  
Back to the love sweet lovin'  
You give to me

So just keep it comin'  
And I'll always come runnin'  
Back to the love sweet lovin'  
You give to me

Verse:

Someone to love  
Girl I've searched for you  
Both night and day

See, you were my cure  
No one else could make me feel  
This way

Honey I'll never be untrue

Cause you made me believe it's your love  
I can't lose

Chorus 2x

Bridge:

Cause I never knew a love could feel so right  
Such a feeling from your warm embrace  
Honey let me hold you close tonight  
Girl what I wouldn't do to get closer to you

Chorus 2x

Verse:

Just believe it's your love I need  
Back to  
Back to your lovin  
Good lovin you give to me

Adlib Chorus til the end of song
