Blessed

(Verse 1)

I don't like the way that it's going  
The world is shaking  
The volume's going up everyday  
Ears are ringing..  
Can't keep up this rapid pace, for much longer  
Life so crazy when I look up, snowing in summer

(Bridge)

So easy for me to forget, how I keep it all together,  
Keep it all together  
And there's so much going on, in the world, I just  
gotta remember, I just gotta remember

[Chorus]

So blessed, yeah, uh, blessed to have you right here by  
my side  
Next to me when life cuts like a knife  
Sometimes I complain, it's when I have to say and it  
might be a cliché,  
but I'm so blessed, yes, yes, yes  
I'm so blessed, yes, yes, yes

(Verse 2)

Even when I'm not at my best, you love me harder  
I can be rough I must confess, like no other  
Cause things in front you sometimes You take for  
granted  
When they disappear, it's clear, how much it  
matters

(Bridge)

[Chorus]

(Refrain)

I'm so blessed, yes, yes, yes  
I'm so blessed, yes, yes, yes  
I'm so blessed, yes, yes, yes

Everyday, even though sometimes I complain  
24/7, hand reaching down from heaven Oh yeah,  
(Refrain)

Iâ€™m blessed, oh yeah, Iâ€™m blessed yeah  
So blessed, I am.
