Don't know what to do baby

See you're never at home

Runnin w/your friends baby

Make me think you're doing me wrong

Say we're wastin time babe

That this shit ain't going nowhere

Say your ready for commitment

But there's one thing you gotta understand

Chorus

If we play cards right everything will be alright (4x)

See you still like to date baby

Cause when I'm over I pick up the phone

The always hangin' up baby,

Still you want me to make you my girl

If we're ever gonna be friend

We better back it up, all this shit's got to end

We've both been buck wild

Baby girl we got to make up our mind

Chorus

Bridge

All I know is all I know

Alright, alright

to end
