HOOK

Hard to believe that you're still by my side/  
This love profound transcended space and time/  
I've never seen or felt a thing like this in my life/  
Just can't believe your love for me!

1st verse

Girl till I met you long ago, never dreamed someone  
would match my soul.oh no.  
We're more alike than we'll ever know!  
So many lovers bit the dust, and so many more upon  
the cusp.say what's  
Our secret, I've got this wondering it's just!

HOOK

Hard to believe that you're still by my side/  
This love profound transcended space and time/  
I've never seen or felt a thing like this in my life/  
Just can't believe your love for me!

2nd verse

I don't know what the future is, I just know that God  
gave me a gift.you're it.  
Picked from a sea of lonely fish!  
Never said that it's been easy though, cause  
we've had our share of bumpy roads, we know!  
cause even through some red lights we had to go.  
I ain't been the.same  
Since I've said your.name  
Baby girl it's never.changed.  
I can't believe yeah, yeah!

When I look in your eyes  
You brutally tell no lies  
So I really don't know why  
But I can't believe!
