Written by: Stokley Williams

Shocked, when I sen't ya

Hair flung back, with his fingers pleasin' ya

So now my head, is in a spin profound

By way of, this big ass cerebral pound

Don't you know, I was so down for you

But I see, you had other things to do

Thought you had, had me on a string

And you said, for me you'd do anything

Just keep all your lies at the door, and just

Chorus

Leave me alone

Stop all that crying, and

Leave me alone

Cause I ain't buying it, so just

Leave me alone,

Stop all that crying, and just

Leave me alone,

Cause I ain't buyin it

Had your nerve, one minute you sob for me

And the next, livin' extra-cirricular fantasies

And this pain, feels like it'll carry through

The next life, I really feel it's true

Don't be surprised if I smile and say

Still just leave my ass alone (continue chorus)
