Written by: the Isley Brothers

Oh, I believe you are a rainbow
You are the heaven I need to see
You're the promise everlasting
Where you are I hope to be

Chorus:

Make me say it again girl
Make me say it again girl
Make me say it again girl, you're all I need

Whatever pain's inside, you make it better
You make me realize that I'm concerned
You are the only one who goes through the changes
Given my life direction when I am torn

Chorus

Why am I worthy of love from an angel
Princess imperial of my soul
Don't really matter if you choose not answer
Hopin' that what I real you already know
