An unhappy girl
An unhappy boy
An unhappy son
An unhappy friend

All living in a happy world
All living in a lonely world

Unhappy life
Unhappy love
Unhappy mind
An Unhappy soul

We're living in a happy world
We're living in a lonely world

uhhh...

An unhappy girl
An unhappy boy
An unhappy son
An unhappy friend

All living in a happy world
All living in a lonely world

Unhappy life
Unhappy love
Unhappy mind
Unhappy soul

We're living in a happy world
We're living in a lonely world

uhhh...
