Keri Lewis, Stokely Williams)

Chorus:

Sweet and funny

She's a honey

H-O-N-E-Y

Sweet and funny

She's a honey

H-O-N-E-Y

She's a honey, no lie

Verse 1:

Short and sweet

Cute as the Easter Bunny

Definitely a girl

I'd like to know

She'll make you cry if it's sad

Laugh when it's funny

This mind-blowing attraction controls all my actions

Bridge:

Do you have a little time to spare(Girl)

I know you're not the type that doesn't care

'Cause a honey is about that change you need (Sweet)

Sweet to every heart she touches

To everything she sees

Chorus

Verse 2:

She makes me feel a way

And this I have to say

She's definitely a girl I'd like to love

Oh She really pours it on

Fills my heart with joy

Honey, sweet appeal, so real, makes me feel

Bridge:

Do you have a little time to spare (yes I do)

I know you weren't the type that wouldn't care

'Cause a honey is about that change you need (yes I'm  
sweet)

Sweet to every heart she touches

To everything she sees

(Ad Lib on Chorus)

(Ad Lib to End)
