Intro:

To the peoples in the east
To the peoples in the west
To the peoples in the east
To the peoples in the west
To the peoples down south
Peoples in the midwest
To the people in the world

That's the way
That's the way
That's the way
2x

Rollin' down the street in a jeep ~ jet black
Me and the fellas kicked back
The night is oh so young
Checkin out the ladies on the avenue
Driving the Lexus Coupe
Cause we gonna have some fun

Chorus:

The mood is right
C'mon it's party time
It's jumpin off tonight
That's the way, that's the way it's going down
You can groove
Cause you know just how we do it
Before the night is through
That's the way, that's the way it's going down

Feelin the jam it hits ya on the floor
Beggins the dj for more
The place is out of control
Sombbody talkin bout that after set
Ain't nearly done just yet
We gonna have a good time

Chorus 2x
