You know we can't do this  
We just can't, listen

You say you feel disenchanting  
'Cause lately he takes you for granted  
Still faithful and true you've remain to hurt so have I

You pour out your heart and I listen  
And we catch a vibe reminiscing  
Temptation so strong not to mention the yearning  
inside

But what kind of man would I be  
If I lived unfaithfully  
And what kind of girl would you be  
If you did the same

'Cause I don't want to see her cry  
And you don't need a reason to lie  
'Cause if we lay down tonight  
It won't justify through a lover's sigh

The feeling is strong and we know it  
But we gotta see past the moment  
There's too much to lose if we blow it, this is no lie

Still here we are both together  
With promises made that we'd never  
Yet feeling it now more than ever, I can't deny

But what kind of man would I be  
If I lived unfaithfully  
And what kind of girl would you be  
If you did the same

'Cause I don't want to see her cry  
And you don't need a reason to lie  
'Cause if we lay down tonight  
It won't justify through a lover's sigh

Here we are  
All alone

But somehow  
We got to be strong

But what kind of man would I be  
If I lived unfaithfully  
And what kind of girl would you be  
If you did the same

'Cause I don't want to see her cry  
And you don't need a reason to lie  
'Cause if we lay down tonight  
It won't justify through a lover's sigh

Makes me wanna say oh, oh  
Just gotta say oh, oh  
Makes me wanna say oh, oh  
Just gotta say oh, oh

What kind of man could I be  
Oh, can't be unfaithful, sorry baby
