### "Why Do We Try"

(Verse 1)

Do I continue living life by myself?  
Milking the single life till my last breath  
I know I found someone to fulfill my needs  
Why do I need to question how it should be?

(Chorus)

So, why do we try?  
To let love pass us by  
Then question how we feel  
Then love is never real

(Verse 2)

Can I not be afraid to leave my cell at home?  
When I get away can I keep it on?  
It can be hard to break that family curse  
Cuz brother and daddy's relationships could not work

(It) seems they're getting married every week  
Why (all) the trouble if you know that you're gonna  
cheat  
How do you say bye to the lovers of the yesterdays  
Cuz nobody told you there's no easy way

(Chorus 2)

So, why do we try?  
To let love pass us by  
Question how we feel  
That love is not for real

(Reprise of 1st Verse)

Do I continue living by myself?  
Milking the single life till my last breath  
(I) know I found someone to fulfill all my needs  
Why do I need to question how it should be?

(Chorus 3)

So, why do we try?  
To let love pass us by  
Then question how we feel  
then love is never real

So, why do we try?  
To let love pass us by  
Question how we feel  
Then love is not for real

Do I continue living by myself?
