i've been kind of tired  
maybe i've been not myself  
i feel like i should be putting in  
so much more than i put in  
the wife the kids are starting to get in the way  
of the important things like cars like .....  
jus keep smiling  
and i'll try harder

is this a joke  
i'm not laughing  
i'm not trying to be difficult, cause a scene  
i dress real good i talk real good  
i act exactly like I should

just like you taught me  
like i'm part of something bigger  
more fullfilling  
more worthwild than anything  
left in my life

and i'll try harder
