They don't know you
Maybe they do
They don't have the evidence
They ain't got the proof

Black camera
Black camera

They never been through
What you been through
Bloody brains in a body bag
Is it really you?

Black camera

Black camera

It's your picture
It's your signature
The curse you suffer
It's your file number
It's your name boy
Don't act like it isn't your face
It's your name boy
Don't act like it isn't your face

You didn't want to
Maybe it's true
Maybe it's irrelevant
Whether you really do

Don't act like it isn't your face
It's your name boy
Don't act like you could ever erase
