

Wintersleep "Mausoleum"

I'll play dumb
I'll play dead
In your mausoleum
Insectivorous
Caught up in the cloth
Wrapped up in the gauze
Of your summer dress
Highlights shimmering
We dissolve in the wilderness
We dissolve in the wilderness

I won't bite, I won't bite
Til you come around
Til you lay me down
Lay me down
Scattering light
Scattering light
Eye sight dimming
Dull-eyed specimen

Caught up in the cloth
Wrapped up in the gauze of
your summer skin
Highlight glistening
We dissolve in the wilderness

We dissolve in the wilderness

I won't bite, I won't bite
Til you come around
Til you lay me down
Lay me down
Scattering light
Scattering light
Eye sight dimming
Dull-eyed specimen

Decomposed
Metamorphosed
In the grass of your open
chest
In cracks and crevices

Caught up in the cloth
Wrapped up in the gauze
Of that last eclipse
Twilight glimmering
We dissolve in the wilderness
We dissolve in the wilderness
