We're back so listen up,
Because we've got something to say,
Fasten your seat belts now,
We're gonna take you to a place,
It won't take too long,
We're already there,
Tell me what do you see?
Are you awake?
This stuff is real!

I know you cannot wait no more,
I can see it in your eyes,
You are one of us,
It's written in the stars,
Open up your heart,
Feel that energy,
Shining from within,
It's magic!

Are you ready for the mission?
Experience a new dimension,
It's not a dream,
It's a magical adventure!
You can be a superhero,
So jump of the seat you're on now,
It's all for you,
Jump into this world of wonder!

We're back, spread the word,
Remember we are here to stay!
Watch out, be strong and proud,
They'll try to steal your power away!
Travels can be fun,
If you change your point of view,
If you don't give up,
You'll find the strength in you
Shining from you heart,
It's magic!

Now you're ready for this mission,
Experience a new dimension,

And live your life like a magical adventure,

Baby you can be a hero,
So get up from the seat you're on now,
It's all for you,
It's a real world of wonder!

It's a real world of wonder,
It's a real world of wonder,
It's a magical adventure,
It's a real world of wonder,

Baby you can be a hero,
Baby you can be a hero
