Mayday, mayday  
I think I need a break from books and homeworks  
So the school can wait  
They won't miss us today

Big time, big time  
We're gonna hang around all day long, day long  
And do whatever we like  
We'll hit the town

Don't say no  
I know you wanna do it  
Come with me  
It's fun to be a little naughty

Today we're going down town  
It's just a little holiday  
Try and catch us if you can  
Tomorrow I'll be a good girl  
Tomorrow I'll be the best I can  
So I hope you will understand

Woo-hoo  
Sha la la la la  
Woo-hoo  
Sha la la la la  
Woo-hoo  
Catch us if you can  
Mayday, mayday  
The game is over  
I think we are in trouble  
Yes, we promise you we won't do this again

Why must good things come to an end?  
And won't you please have mercy?  
We're young, we're free  
We're full of energy

In fact  
We're the ones you can always count on  
Anyway, you should know nobody's perfect

Today we're going down town  
It's just a little holiday  
Try and catch us if you can  
Tomorrow I'll be a good girl  
Tomorrow I'll be the best I can  
So I hope you will understand

Woo-hoo  
Sha la la la la  
Woo-hoo  
Catch us if you can
