Should I tell him, should I tell him not?
(There are a million things I cant tell you)
I wrote you letters that I didnt sign
you turn around, just one look
and Im in heaven

CHORUS:

I see the flowers bloom
when youre around me
I hear the angels sing
the sweetest melody
whenever you call my name

Whenever you call
whenever you call my name

If only I could tell you
how Im feeling
how much you meant to me
why cant you see that Im
crazy in love with you

I miss you so when youre not around
(There are a million reasons why I adore you)
I know good things come to those who wait
the day will come
when you and I will be togheter
and that day will last forever

CHORUS:

I see the flowers bloom
when youre around me
I hear the angels sing
the sweetest melody
whenever you call my name

Whenever you call
whenever you call my name

If only I could tell you
how Im feeling
how much you meant to me

why cant you see that Im
crazy in love with you

Youd be my number one
Id stand by your side
Id make you smile everyday
if I was your girl...
Will I ever find the courage to say?

Whenever you call my name
Whenever you call
Whenever you call my name

If only I could tell you
how Im feeling
how much you meant to me
why cant you see that Im
crazy in love with you
