Don't wake me up, don't wake me up  
Like the desert needs the pouring rain  
The darkness needs a star

My heart longs for your love  
I bless the day  
You crossed my path and changed my life  
You spin my world down round  
I'll always want you around 'cause

Never really believed it could happen to me  
To wear a crown and marry the man of my dreams  
I'm just a girl and my life's like a fairytale, oh  
Always wanted and I can tell from inside  
I love him until the end of time  
If it's a dream if it's real, please don't wake me up

Like the flowers open up each day  
They're always after sun, my heart blimps when you  
say my name  
That's why no one could ever take your place  
I've known it since the day our eyes met for the first  
time

Never really believed it could happen to me  
To wear a crown and marry the man of my dreams  
I'm just a girl and my life's like a fairytale, oh  
Always wanted and I can tell from inside  
I love him until the end of time  
If it's a dream if it's real, please don't wake me up

And whatever thing they say, I know we're meant to be  
They'll never come between you and me

Never really believed it could happen to me  
To wear a crown and marry the man of my dreams  
I'm just a girl and my life's like a fairytale, oh  
Always wanted and I can tell from inside  
I love him until the end of time  
If it's a dream if it's real, please don't wake me up

Happen to me, oh to marry the man of my dreams  
Like a fairytale, the boy is mine  
Don't wake me up, no don't wake me up  
Don't wake me up, don't wake me up  
Don't wake me up, don't wake me up  
Don't wake me up  
The man of my dreams
