I know that oneday deep  
inside in my eyes only I  
will see what is been there  
for me all the magic lights  
every dream I had will be reality  
and the wind coming from the past  
blowing away the evil just like a dust

Chorus:

I stand up and fly away  
cause I know I will never give  
up knowing that I can find all  
the power in my heart I stand up  
and fly away cause i know yes I do  
I can do dreamin' in my way oooooooooo  
ooooooooo

This is my moment no more  
tears in my eyes" in my eyes"  
I wont cry again I will be inside  
a magic fairy tale smiling with joy  
and dancing singing with all the people  
all the universe

Chorus:

I stand up and fly away  
cause I know I will never give  
up knowing that I can find all  
the power in my heart I stand up  
and fly away cause i know yes I do  
I can do dreamin' in my waaaaaaaaaay  
Dreamin in my waaaaaaaaaay my waaaaaay

Chorus:

I stand up and fly away  
cause I know I will never give  
up knowing that I can find all  
the power in my heart I stand up

and fly away cause i know yes I do  
"yes you do"I can do"you can do"  
dreamin' in my way dreamin' in my way  
dreamin' in my waay
