" I don't know what to do"
"Help me"

I'm here alone and memories are comin
into my mind of the story of me and you
when everything felt so right

Your a charmin Prince with you i had
my first real kiss I didn't know what to
do cause i had to face the truth oh baby
i had all your lovin why oh why I did i let
you go this way don't you know baby that

Chorus:

Your the one who always made me
feel like I'm a queen the one who's always
been there for me and that's why I will
love you endlessly

oh oh oh

Cause baby your the one and though your
everything that I've been dreamin of i realize
I'm not what you need you deserve much more
then a girl like me ooooooh

When I'm with you it was love at first sight
so sweet and true and my heart started beating
fast for a love that's come to fast

I need you baby to look into my eyes and hold
me tight just take me away from here I think I'm
loosing my mind

Oooooooh

I wish you all the best why oh why did I
let you go away don't you know baby
that

Chorus:

Your the one who always made me
feel like I'm a queen the one who's always
been there for me and that's why I will
love you endlessly

oh oh oh

Cause baby your the one and though your
everything that I've been dreamin of i realize
I'm not what you need you deserve much more
then a girl like me oooooh

She is so shes so different from me " oh shes
so different from me" remember that I want you
to be happy darlin your the one shes so much better
