Good girls, bad girls
It is the same old story going
On and on, every day

I'll never be the one who starts the fight
You never see me down and cry
I think you should know better

Black and white
'Cause baby I'm your match and you're my
Dynamite
We go together just like day and night

If only you could change your mind
We'd have fun
But I say hi and you say goodbye
And walk along the border line

Good girls going hard
To be the best they can
But bad girls wanna fight, get a life

A stinging bee can be a butterfly
So watch me spread my wings and fly
I think you should know better

Black and white
'Cause baby I'm your match and you're my
Dynamite
We go together just like day and night

If only you could change your mind
We'd have fun
But I say hi and you say goodbye
And walk along the border line ...

Black and white
Dynamite
Black and white
Dynamite
