Sirenix...
Sirenix...

Chorus:

I feel the power of the ocean,
Connecting with the deepest part of me,
Sirenix underwater motion,
Suddenly I'm soaring through the sea,
It's the rush of wonder,
I can fly,
Swimming deep down under,

Pre-Chorus:

I feel the waves of transformation,
I'm stronger and I'll dive into the blue,
Sirenix, you're the inspiration,
The power of the sea is inside of you,

(Chorus) x2
(Pre-Chorus)

Now the infinite ocean,
Over me,
Like a mystical potion
