Close your eyes
And open your heart.
Believe in yourself,
That's how it starts.
Dreams will come true just wait and see,
'Coz the magic's in you and the magic's in me!

Chorus:
We are the Winx!
We are the Winx!
Come join the club!
We are the Winx!
We are the Winx!
We are the Winx!
We are the Winx!
Come join the club!
We are the Winx!
[Lyrics from:]
Magical flowers,
Digital powers,
Rythms and tunes,
The sun and the moon,
Magic shapes and shifting tides,
And the fire burning deep inside,

We've got the style,
And we've got the flare.
Look all you want,
Just don't touch the hair!

Chorus:
We are the Winx!
We are the Winx!
Come join the club!
We are the Winx!
We are the Winx!
We are the Winx!
Come join the club!
We are the Winx!
