Winx! We're back again  
Winx! Together friends  
Fighting side by side, most be we're together magic  
Winx, forever with you!  
Dreams are coming true  
It's the power of Believix!

Everyday ready to play  
Everyday we're living in a fairytale  
We are free, just take my hand  
And remember the more you want the more you can  
It's the power of Believix!

Winx! We're back again  
Winx! Together friends  
Fighting side by side, most be we're together magic  
Winx, forever with you!  
Dreams are coming true  
It's the power of Believix!  
Winx! Raise up your hands  
Winx! You're my best friend  
Living side by side, love is just a kind of magic  
Fly high to the blue,  
Dreams are coming true  
It's the crazy world for me and you  
It's the magic world for me and...  
Winx!
