Chorus:

I can make it on my own  
Can do it by myself  
'Cause you made me a woman  
I'm ready for you  
And the world has changed today  
I'm comin' back to life  
And everything makes sense now.

Chorus 2:

Lately I've been pushing you away  
And still you've been there for me all the time  
I guess I was not ready then.

I didn't know love before I met your eyes  
That day I had a vision of my life  
I was so scared but you  
Gave me a new heart.

(Chorus)

Say we can start it all again  
From the vision that we had  
It's all in your eyes

(Chorus 2x, with Chorus 2 in background)
