woke up this morning  
i am so lazy! i'm late again  
put on my makeup  
the sun is shining, i feel great  
i rush down the street, my friends are waiting  
there for me  
one more adventure  
it's gonna be a tough day at school  
there's so much to learn and we are giving all our best  
no time for foolin'  
it may seem hard but it's my life

the teacher caught me daydreaming  
again  
all i can think is you  
and will i make it to the end?  
my friends keep telling me

You're the one who can do the incredible things you do  
You're the best and baby you deserve the gifts you  
have  
can't you see? you are strong  
you fight against demons everyday  
you're a star; remember where you come from who you  
are  
come join us!

we have a day out  
i wonder what we're going to do  
i'm so excited!  
shall we go shopping all day long?  
i'll see my parents  
it's hard to be away from home  
but it's all worth it, i love to share it with my friends  
now look at yourself, you know i'm talking to you

you're the one who can do incredible things you do  
you're the best and baby you deserve the gifts you  
have  
can't you see? you are strong  
you fight against the demons everyday  
you're a star, remember where you come from and

who you are  
come join us!

why be extraordinary when you can always be yourself?  
you are a Fairy, believe it  
why can't you see that?
