Now my boy's up on the wheels of steel, drinks are  
flowing nice  
Tonight I'll take it on the chin like a real big champ  
You act like you gotta go to work, but girl we gotta get  
to work  
What's it take to get to her? Check it out

Girl, there's no end to what you get if you just give a  
little  
Take a chance, you can meet me in the middle of the  
dance floor  
We're elevatin'  
Girl, there's no end to what you get if you just give a  
little  
Take a chance, we can meet in the middle of the dance  
floor  
We're elevatin'

I could walk all the way across the floor  
And ask her to dance cause she's all dressed up, but...  
It's probably best to walk safely to the door  
Cause it's obvious she don't give two f...s about me

Girl, there's no end to what you get if you just give a  
little  
Take a chance, you can meet me in the middle of the  
dance floor  
Look out, we're elevatin'  
Girl, there's no end to what you get if you just give a  
little  
Take a chance, we can meet in the middle of the dance  
floor  
Hey, we're elevatin'

Break out the battle tapes  
Set your mind to erase  
We're comatose no more  
We're elevatin'

Put your foot on the gas  
We've got to make it last  
All Saturday we'll crash

Tonight we're elevatin'

Dance with me, I swear I've got good rhythm girl just  
dance

Dance with me, I won't make a fool of you just dance  
Dance with me, I swear I've got good rhythm girl just  
Dance with me tonight

Girl, there's no end to what you get if you just give a  
little

Take a chance, you can meet me in the middle of the  
dance floor

We're elevatin'

Girl, there's no end to what you get if you just give a  
little

Take a chance, we can meet in the middle of the dance  
floor

We're elevatin'

Break out the battle tapes, we're elevatin'

Set your mind to erase, we're elevatin'

We've got to make it last, we're elevatin'

All Saturday we'll crash, tonight we're elevatin'
