With bitter hands
You touch and go
The first to spell it out
The last to really know

She's such a snowflake
I should've known by the way she drives
A walkin' earthquake
Tellin' the time, minus the fives

And she says;

It could be so much better
(Yeah?)
Let's spend some time together
(I don't know
You're freakin' me out girl)
Boy, I've got all your records
(Yeah?)
Let's spend the night together
(I don't know
You're freakin me out girl)

She moves with such speed
Her words are just a blur
The alcohol speaks to me
Instead of her

She uses distraction
To get a reaction
But it won't work tonight

Girl, you're so in love
With some shit I said, love
Hear her as she lies

It could be so much better
(Yeah?)
Let's spend some time together
(I don't know
You're freakin' me out girl)

Boy I've got all your records
(Yeah?)
Let's spend the night together
(I don't know
You're freakin' me out girl)

Hey girl
I forgot, I don't know you
I can't smell you
So I can't see you

It's an illusion
You only see my positive
When there's so much negative

Most of the time I'm outta my freakin' mind
So you and me would have cinderblocks for shoes

He ain't nobody but Mikey's little brother
You want Nobu? Girl, I'm thinkin' Smoothie King

You just wanna ride in my car
Because you think I'm a star

Hey, you got all my records?
Please, darling, please
I don't count used CDs and fake MP3s

It's not who you know
It's who you are
And I just wanna make this simple and plain
(Game recognize game)

At the show throwin' thongs
Cause you like catchy songs
You're wired all wrong

It could be so much better
(Yeah?)
Let's spend some time together
(I don't know
You're freakin' me out girl)
Boy I've got all your records
(Yeah?)
Let's spend the night together
(I don't know
You're freakin' me out girl)

It could be so much better
(Yeah?)
Let's spend some time together

(I don't know
You're freakin' me out girl)
Boy I've got all your records
(Yeah?)
Let's spend the night together
(I don't know
You're freakin' me out girl)
