["Let your soul show you the way, let your heart show  
you the way: Wisdom"  
/WISDOM/]

Every day I see you're strolling through the streets  
Got no aim and you have lost your faith to believe

I want you to hear the same  
How sweet the music sounds  
I want you to feel the same  
Like me, when it starts

Oh - Let your soul show you the way  
We want more - WISDOMMETAL is the law  
We're dying for - Let your heart show you the way  
We want more - WISDOMMETAL is the law!

Trust in me, our show is always true as steel  
Time has come to realize that at last we are here

I want you to hear the same  
How sweet the music sounds  
I want you to feel the same  
Like me, when it starts

Oh - Let your soul show you the way  
We want more - WISDOMMETAL is the law  
We're dying for - Let your heart show you the way  
We want more - WISDOMMETAL is the law!

Oh...  
Oh...

Everyday I see you strolling through the streets  
Take my hands, let's go together fulfil the dreams

I want you to hear the same  
How sweet the music sounds  
I want you to feel the same  
Like me, when it starts

Oh - Let your soul show you the way  
We want more - WISDOMMETAL is the law  
We're dying for - Let your heart show you the way  
We want more - WISDOMMETAL is the law!
