Everything is wrong since me and my baby parted,
All day long I'm walkin', 'cause I can't get my car
started.

Laid off from my job, and I can't afford to check it -
I wish someone would come along right into it and
wreck it!

Come on! I can't get started,
Come on! since me and my baby parted,
Come on! I can't afford to check it,
I wish someone would come along right into it and
wreck it!
Come on!

Everything is wrong, since I've been without you.
Every night I lie awake, thinking about you.
Every time the phone rings, it sounds like thunder -
Some stupid jerk tryin' to reach another number!

Come on! since I've been without you,
Come on! steady thinkin' about you,
Come on! phone sounds like thunder -
Some stupid jerk tryin' to reach another number!
Come on!

Now everything is wrong since I last saw you baby,
I really want to see you, and I don't mean maybe.
I'm doin' everything to try to make you see
That I belong to you, and you belong to me.

Come on! I wanna see you baby,
Come on! I don't mean maybe.
Come on! I'm tryin' to make you see
That I belong to you, and you belong to me!
Come on!

Come on, come on, come on.....
