Mother 's first look to the eyes of a child
Casts the die of destiny.
It's a perfect life she gives to you,
Not to lose so innocently.
Leading the way, she rises above
Unexpected adversity.
I hear her calling, keeper of the light,
The words of warning, thunder in the night.
I hear her calling, guarding what is right.
I see her waiting, keeper of the light.

A silhouette on the skyline, a symbol of your liberty,
Protecting time that's passing by,
Mother knows, never lies.
A better life the children will see,
A world of change, full of hope and sympathy.

I hear her calling, keeper of the light,
The words of warning, thunder in the night.
I hear her calling, guarding what is right.
I see her waiting, keeper of the light.
