Can you feel them, feel the watching from beyond  
That eerie feeling deep inside the one you can't explain  
Troubled souls ignored like a ship lost at sea  
It's like the distance growing deeper between you and  
me  
How do you feel knowing times at it's end  
Decomposed like the corpse we all turn to be  
Can't stop thinking about the times I'm missing  
It's an untold tale of this story of betrayal  
Time goes by I can watch them die  
No one hears you no one sees you can I hear the cry  
As time passes by  
Sometimes I feel like I've passed on by  
Can't stop wandering into the afterlife  
Afterlife  
I can't stop No  
I won't stop No  
I've put too much into this
