Falling down: Oh-Oh Oh-Oh Oooh... Oh-Oh Oh-Oh
You walk and talk like your some new sensation
You move in circles you don't need an invitation
You spend you money You can't get no satisfaction
You play it right so you can get the right reaction.
It won't be long my darling
Pick up the phone nobody's on it
Where are your friends now baby?
Aren't they the ones supposed to be there for...
You... (you)
When your falling down, the worlds starts spinning
around
You... (you)
When your falling down, no it's not all about
You... (you)
When your falling down, you know I'll be around
When your falling down, falling down.
Your Falling down, your falling down, your falling down.
What's out of place when you look into the mirror
The truth is blurry but the lies are getting clearer
Your eyes are fixed, your smile is so elastic
You give me roses but there all just made of plastic.
It won't be long my darling
Pick up the phone nobodies on it
Where are your friends now baby?
Aren't they the ones supposed to be there for...
You... (you)
When your falling down, the worlds starts spinning
around
You... (you)
When your falling down, no it's not all about
You... (you)
When your falling down, you know I'll be around
When your falling down, falling down.
Smile for the camera everybody's looking at you
Smile for the camera 'cause there all about to trash you
Smile for the camera, camera, camera
Smile for the camera, who's gonna catch ya.
You... (you)
You... (you)
When your falling down, the worlds starts spinning

around
You... (you)
When your falling down, no it's not all about You... (you)
When your falling down, you know I'll be around
When falling down, Falling down.
Smile for the camera everybody's looking at you
Smile for the camera 'cause there all about
